

**New Star**  
**Turin Brakes**

Note:

For the A chord, from what I can hear / can see from live videos he uses:  
X-12-11-9-10-9 fingering.

I personally find that too hard so do: X-0-0-9-10-9 at the end of a verse then  
X-  
0-11-9-10-9 at the start. Sounds about right, have a play and decide for  
yourself.
