Over And Over
Turin Brakes

this is the main bit without the complicated tabby bits havent worked them out
yet.
the strumming paterns pretty basic and theres only 4 chords:
Bm: x24432
D: xx0232
G: 320033
F#m: 244222

```
Bm            D
  life isnt always easy
G          F#m
  this we know my friends
Bm               D
  i thought you knew where to go
G                      F#m
  but you were following me
             Bm
  so lets get lost in space
     D
  i feel displaced
G               F#m
  im stuck in a rat race
       Bm           D
  its a lovely day to lose your way
G                    F#m
  and get stuck in a lo-o-o-o-p
```

Chorus:

```
ocer and over again        }
                           }x4 with the same chords and pattern
you can never make it stop}
```

the other verses and choruses are pretty much the same. if any one can see any
probs
please let me know. enjoy SQ05
