The other one is pretty much right just the chorus is slightly wrong, there is an F#m after the A:

A **F#m**
Oh please Save Me
G **E**
Save me from myself
 A **F#m** **G** **E**
I can t be the only one stuck on the shelf
A **F#m** **G** **E** **A** **F#m**
You said you d always fall for the un-der-dog

strum once:

G F#m E before continuing with the intro
