

**Underdog**  
**Turin Brakes**

Underdog (Save Me)  
Turin Brakes  
Olly Knights and Gale Paridjanian

Chorded out by Russ Reading.

There s only 4 (easy) chords in this excellent song.  
Bm can be played pretty much where you like on the neck  
but I find it sounds much better if you play it higher up  
(7th Fret sounds about right - **Am** = 799777). No capo needed.  
Enjoy....

[Intro] **Am G F** (x2)

[Verse 1]

**Am**                    **G**                    **F**  
Two black lines streaming out like a guidance line  
**Am**                    **G**                    **F**  
With one foot on the road now where the Cyborgs are driving  
**Am**                    **G F**  
With the WD 40 (in their veins)  
**Am**                    **G**                    **F**  
The screeching little brakes complain

**Am**                    **G**                    **F**  
With my briefcase empty and a hole in my shoe  
**Am**                    **G**                    **F**  
I try to stay friendly through the sugary abuse  
**Am**                    **G**                    **F**  
Tell my secretary now to hold all my calls  
**Am**                    **G**                    **F**  
I believe I can hear through these walls.

[Chorus]

**F**                    **G**  
Oh please Save Me  
**F**                    **D**  
Save me from myself  
**G**                    **F**                    **D**  
I can t be the only one stuck on the shelf  
**G**                    **F**                    **D**                    **G**  
You said you d always fall for the un-der-dog

[Verse 2]

**Am**                    **G**                    **F**  
Well I ve been dreaming of jetstreams and kicking up dust  
**Am**                    **G**                    **F**

A 37 thousand foot wanderlust  
**Am** **G** **F**  
With skyline number 9 kicked off in my mind  
**Am** **G**  
Can you hear me screaming out now  
**F**  
through the telephone line

[Chorus]

**F** **G**  
Oh please Save Me

Save me from myself  
**G** **F** **D**  
I can't be the only one stuck on the shelf
