Underdog (Save Me)

Olly Knights and Gale Paridjanian
Chorded out by Russ Reading.
There s only 4 (easy) chords in this excellent song.
Bm can be played pretty much where you like on the neck
but I find it sounds much better if you play it higher up
(7th Fret sounds about right - C\#m = 799777). No capo needed.
Enjoy....
[Intro] C\#m B A (x2)
[Verse 1]
                 В
 Two black lines streaming out like a guidance line
                          В
 With one foot on the road now where the Cyborgs are driving
With the WD 40 (in their veins)
 The screeching little brakes complain
C#m
                      В
With my briefcase empty and a hole in my shoe
 I try to stay friendly through the sugary abuse
                 В
Tell my secretary now to hold all my calls
                                              Α
 I believe I can hear through these walls.
[Chorus]
           В
Oh please Save Me
                  F#
Save me from myself
                                       F#
I can t be the only one stuck on the shelf
You said you d always fall for the un-der-dog
