Turn Off The Stars

The correct version is fourth fret capo, but you can adjust that so you can sing it. I

best at first fret, so it goes with whatever your voice can. This is a great song that ${\ \tt I}$

is best with a singer singing along.

Capo Fourth Fret

Am G C

Am G C

I live but only for today

Course I died but that was restanded

Cause I died but that was yesterday

But doubt is such a lonely place

Due doubt is buen a fonery place

When faith is half the world away

E7

Just come away

F C/G

Cause you know the sun is gonna shine

E7 Am

For yours and for mine, just leave it all behind

F C/

And I know when I see it in your eyes

E7

You need freedom from this life

Am G C

Well, I live just to see you smile

F G C

But I know that it could take a while

Am G C

But I loved, I loved you all the while

And for you, you know I'd walk for miles

and for you, you know fae a wark for mile

Ya miles and miles

F C/G

Cause you know the sun is gonna shine
