You'll be gone, you'll be leaving  
**F** **C**  
You'll be back home again  
**C** **F** **C**  
On Christmas or July fourth  
**F** **C** **G** **C**  
I really don't remember when

**F** **G**  
And I'm glad to see you doing well,  
**F** **G**  
We all know just who you are,  
**F** **G**  
Put your saber on the shelf  
**F** **G**  
and we'll take down the ole blue star.

and they can't help but look like you
