

Call A Spade A Spade
Turnpike Troubadours

Call A Spade A Spade

By Turnpike Troubadours (with Jamie Wilson - awesome singer)

[Intro]

C

[Verse 1]

Well you ve got a ring, you ve got a new last name
You ve got the same old eyes, they re the same, aw the same
And you ve got a heart big enough to kill us all
But when you fall, well damn you fall

[Verse 2]

You ve got a way, and you ve got away with it before
You ve got a look that could drop me dead here on the floor
And you ve got a touch, it s the sweetest one I know
I gotta go, yeah I ve gotta go

[Chorus]

And everything s so easy up until it s complicated
Until we wake with our heads shakin at the choices we have made
Well to call the whole thing stupid seems so sorely understated
Aw, but can we dance a little long, can we call a spade a spade

[Verse 3]

Well you ve gotta try an awful hard to keep it hid

And you ve got a man (I ve got a man) oh and I been actinâ€™ like a kid

F C C/B Am

And you ve got more than a tattoo up your sleeve

G C

It s time to leave (it s time to leave), well it s time to leave

[Chorus]

G F C

And everything s so easy up until it s complicated

G F C

Until we wake with our heads shakin at the choices we have made

G F C

Well to call the whole thing stupid seems so sorely understated

C G F C

Aw, but can we dance a little long, can we call a spade a spade

[Fiddle Solo] (2 lines - Tag 1st line of the Chorus)

C G F C

[Verse 4]

G C

Well I ve gotta quit, (yeah darlin I guess I do too)

G C

Well I ll take a hint (oh take a hint), it s high time we get a clue

F C C/B Am

And darlinâ€™ please (oh please) well could you stop sayinâ€™ love

G C

This ain t love, (no, this ainâ€™t love) good God above

[Chorus]

G F C

And everything s so easy up until it s complicated

G F C

Until we wake with our heads shakin at the choices we have made

G F C

Well to call the whole thing stupid seems so sorely understated

C G F C

Aw, but can we dance a little long, can we call a spade a spade

C G F C

Aw, but can we dance a little long, can we call a spade a spade
