[Intro]

GCGWell she was born in the morning lateOctober San AntoneEmCGAw she s every girl I ve ever known									
G G	C (5 En	n	С	G				
[Verse 1]									
(3		C			G			
Well she was B Em	oorn in the	morning 1 C	ate Oc G	ctober	San	Antone			
Aw she s every	y girl I ve	-	vn						
G			С			G			
She don t tall Em	k about rel:	igion she C	talks G	about	the	stones			
Oh she s every girl I ve ever known									
[Chorus]									
С		G		С		G			

 C
 G
 C
 G

 And her tongue is like the Devil when she tries to concentrate

 C
 G
 Em

 She says she don t want marriage but she still believes in fate

 G
 C
 G

 And she stands her ground to defiantly but cries when she s alone

 Em
 C
 G

Oh she s every girl I ve ever known

G G C G Em C G

[Verse 2]

G С G Now her voice it is a melody that sings just like a bird Em C G Oh she s every song I ve ever heard G C G And her heartbeat is a rhythm that commands her every word Em С G Oh she s every song I ve ever heard

[Chorus]

CGCGShe reflects the world in happiness and echos all the painCGHer smiles the world of sunrise her cries to make it rainGCGCAnd she hides the truth discretely you d have to take her wordEmCGGAw she's every song I ve ever heard

[Solo]

G G C G Em C G

[Verse 3]

C G G She s a sober Sunday kitchen conversation with my dad C Em G Aw she s every friend I ve ever had G C G Well we never failed to cut a trail whenever times were bad Em C G Aw she s every friend I ve ever had

```
[Chorus]
```

CGCGShe s a flighty good time buddy in the corner of the barCGBut she d fight the Devil for ya just for being who you are

G				С							G
And she	s the l	ast to c	ast a s	tone th	hough	she d	love	to	leave	you	mad
	Em		C		G						
Aw she s every friend I ve ever had											
[Solo]
