

Oklahoma Stars  
Turnpike Troubadours

[Intro]

D G D

[Verse 1]

D

Well the night goes on forever when you try to make it last

D

D7

We were passing time together, just laying in the grass

G

And we looked up at the heaven and we saw the worlds collide

D

We were lying still and watching, they were flying through the sky

[Chorus]

G

D

The stars in Oklahoma

G

A

Never seen a night so cool and clear

G

D

Shootin stars in Oklahoma

A

D

Burn so bright then they disappear

[Verse 2]

G D

Well the moonlight has a way of throwing shadows on the night

D

D7

It would be a shame to waste it on a place we had to hide

G

With the morning glowing bright and shining light upon our faces

D

We faded with the dawning then we went our separate ways

[Chorus]

G

D

Neath the stars in Oklahoma

G

A

Never seen a night so cool and clear

G

D

Shootin stars in Oklahoma

A

Bm

They shine so bright, then they disappear

[Bridge]

G

Ah the stars in Oklahoma and the banks in late September

D

And I lead you through the darkness on a night you won't remember

**G**

Is everyone that easy, do they all just play the fool

**A**

**G**

Are they all just out here lookin' for a way to break the rules

[Instrumental]

**D G A G D A D**

**G D**

Well it would take a fool to say it, like a photograph of grace

**D**

**D7**

Fools need supervision or a gift for saving face

**G**

Yeah, we got it on a handshake, bought it for a song

**D**

Yeah, chase a simple feeling for doing something wrong

[Chorus]

**G D**

Neath the stars in Oklahoma

**G**

**A**

Never seen a night so cool and clear

**G**

**D**

Shootin' stars in Oklahoma

**A**

**Bm**

Shine so bright, then they disappear

**A**

**D**

Shine so bright, then they disappear
