

**Cynical One**  
**TV Girl**

[Intro]

**Cmaj7**                    **Gmaj7**  
**Cmaj7**                    **Gmaj7**

[Verse 1]

**Cmaj7**                                         **Gmaj7**  
I like looking at your eyes  
                             **Cmaj7**                                         **Gmaj7**  
Playing piano, and staring out your window  
   **Cmaj7**     **Gmaj7**  
In the middle of the night, from your house on the hill  
                             **Cmaj7**     **Gmaj7**  
I was hoping, hoping, that you wouldn't forget me, but I know you will

[Chorus]

**Cmaj7**                                         **Gmaj7**  
So don't go around saying  
                             **Cmaj7**     **Gmaj7**  
There's no such thing as love  
                             **Cmaj7**     **Gmaj7**  
You can't go trading me places  
   **Cmaj7**     **Gmaj7**  
Don't forget that I, I am the cynical one

[Verse 2]

**Cmaj7**                    **Gmaj7**  
Wine and roses  
                 **Cmaj7**     **Gmaj7**  
Are fine, but I like the harder stuff  
                 **Cmaj7**     **Gmaj7**  
And I, can still remember  
                 **Cmaj7**     **Gmaj7**  
When too much, too much was never enough

[Chorus]

**Cmaj7**                                         **Gmaj7**  
So don't go around saying  
                             **Cmaj7**     **Gmaj7**  
There's no such thing as love  
                             **Cmaj7**     **Gmaj7**  
You can't go trading me places  
   **Cmaj7**     **Gmaj7**  
Don't forget that I, I am the cynical one

[Outro]

**Cmaj7**     **Gmaj7**  
Don't forget that I, I am the cynical one

**Cmaj7**

**Gmaj7**

Donâ€™t forget that I, I am the cynical one

**Cmaj7**

**Gmaj7**

Donâ€™t forget that I, I am the cynical one
