

King Of Echo Park
TV Girl

TV Girl - King Of Echo Park

CAPO I

[Intro]

Em7 A Em7 A
Em7 A Em7 A
Em7 A Em7 A
Em7 A Em7 A

[Verse 1]

Em7 A Em7 A
As the sun sets on Sunset
Em7 A Em7 A
It reflects against a can wet with condensation
Em7 A Em7 A
His baby left, she's going back to school again
Em7 A Em7 A
And learning fifty ways to kill the conversation

[Chorus]

Em7 A
Cause if you can't be good (if you can't be good)
Em7 A
If you can't be good (you can't be good)
Em7 A Em7 A
If you can't be good, you drink in the name of art
Em7 A Em7 A
And as the sun sets on Sunset again
Em7 A Em7 A
The stars come out so it don't get dark on the king of Echo Park

[Interlude]

Em7 A Em7 A
Em7 A Em7 A
The King of Echo Park
Em7 A Em7 A
Em7 A Em7 A
The King of Echo Park

[Verse 2]

Em7 A Em7 A
Now she's playing pool at the little joy
Em7 A Em7 A
Just a little drunk, she sees her little boy
Em7 A Em7 A
And as they smoked outside, she wondered how long she'd have to wait

Em7 A Em7 A
Until it wouldnâ€™t be too soon to take him back to her place

[Chorus]

Em7 A
Cause if you canâ€™t go home (can t go home)
Em7 A
if you canâ€™t go home (can t go home)
Em7 A Em7 A
With the one you love, you go home with someone
Em7 A Em7 A
And itâ€™s never too soon and itâ€™s never too late
Em7 A Em7 A
Cause when youâ€™re royalty babe, you never have to work. And heâ€™s the king
of Echo Park

[Interlude]

Em7 A Em7 A
Em7 A Em7 A
The King of Echo Park
Em7 A Em7 A
Em7 A Em7 A

[Verse 3]

Em7 A Em7 A
Now heâ€™s walking home in the very same clothes
Em7 A Em7 A
As the night before, except you d never know
Em7 A Em7 A
And all the girls heâ€™s bagged, they just canâ€™t stay mad
Em7 A Em7 A
They just wave their hands at no ordinary jerk

[Bridge]

Em7 A Em7 A
But whoâ€™s afraid of a little clichÃ©
Em7 A Em7 A
As he sipped ice tea in the palm tree shade
Em7 A Em7 A
And as he looked around and everything was right
Em7 A Em7 A
But as he closed his eyes he dreamt he was in New York. The King of Echo Park

[Outro]

Em7 A Em7 A
Em7 A Em7 A
The King of Echo Park
Em7 A Em7 A
Em7 A Em7 A
