TV Girl

Letra y acordes TV Girl - Not Allowed

[Chorus]

Dmaj7

(Yeah you suck, we wanna talk about sex but we re not allowed
Well you may not like it but you better learn how

Gmaj7

cause it s your turn now. You re wasting your tongue with lame excuses and lies
Now what s on the back of your mind?)

[Verse 1]

Dmaj7

So how should I begin this? I guess it started when you were with him

Dmaj7

Gmaj7

And how he never even took you out to dance but did he fuck with any rhythm?

Gmaj7

But now he s playing with your head, but did he ever make you come?

Gmaj7

Dmaj7

Did he ever make you cry? Do the wires in your mind

Dmaj7

get sewn together, rubbed and severed by the heat

Dmaj7

Gmaj7

You don t know how long I could stare into your picture and wish that it was me

Gmaj7

I guess it s different cause you love him, but I ve got an interactive

Gmaj7

Dmaj7

Sick and twisted imagination and that s gotta count for something

[Chorus]

Dmaj7

(Yeah you suck, we wanna talk about sex but we re not allowed
Well you may not like it but you better learn how

Gmaj7

cause it s your turn now. You re wasting your tongue with lame excuses and lies
Get your face between my thighs)

[Verse 2]

Dmaj7

I dreamt I was standing in your doorstep, licking sweat off of your forehead

Dmaj7

Gmaj7

With your finger in my mouth and the sound when leather jackets hit the ground

Gmaj7

You should hear when you re not around, when it s just us horny poets

Gmaj7

Dmaj7

Who can t wait to write it down and swear we were only being being honest

Dmaj7

Do you like these little sonnets, cause I wrote them just for you

Dmaj7

Gmaj7

But how quickly they turn sour so be careful who you screw

Gmaj7

And never call, and I m starting to suspect

Gmaj7

Dmaj7

You don t intend to do anything you say at all

[Chorus]

Dmaj7

(Yeah you suck, we wanna talk about sex but we re not allowed

Well you may not like it but you better learn how

Gmaj7

cause it s your turn now. You re wasting your tongue with lame excuses and lies

Now what s on the back of your mind?
