

Ambulance

TV on the Radio

It s in a different key than the original song, and you could throw in a lot of variations since he s doing everything with just his voice.

Bm Am G D
Your slim frame
Bm Am G D
Your eager eyes and your wild mane
Bm Am G D Bm
Oh they keep me where I belong
Am G D
All wrapped up in wrong

Bm Am G D
Youâ€™re to blame
Bm Am G D
For wasted words of sad refrain
Bm Am G D Bm
Oh let them take me where they may
Am G
Believe me when I say

F# G D
I will be your accident if you will be my ambulance
F# G D
And I will be your screech and crash if you will be my crutch and cast
F# G D
And I will be your one more time if you will be my one last chance
Bm Am GD
oh oh fall for me

Bm Am G D
Your slim frame
Bm Am G D
Your simple stare and your wrong, wrong name
Bm Am G D Bm
Oh they keep me where I belong
Am G D
All strung out in song

Bm Am G D
Why so tame
Bm Am
We could shoot wilder vines
G D
Through younger veins

Bm Am **G Em D**
Sip slow from night's deep we-e-ells
F# **G**
And watch our gardens swell

Once the seeds are sown
Em **G**
Wild and overgrown, you'll see
Bm **Am** **G D**
Heart's colors changed like leaves (like leaves)

F# **G**
Oh sweet sweet tree
Em **G D**
Fall for me
F# **G** **Em** **G D**
Fall fast, fall free, fall for me

F# **G** **D**
Because I will be your ambulance if you will be my accident
F# **G** **D**
And I will be your screech and crash if you will be my crutch and cast
F# **G** **D**
And I will be your one more time if you will be my one last chance

F# **G** **Em** **G D**
Oh sweet tree, fall with me
F# **G** **Bm Am G**
Fall fast, fall free, fall with me
