Strumming pattern for verse: D-U-D

Verse:

G
Now drop yourself
G
With no concern
G
On how to breathe
G
When your mind is burned
G
On optimistic
G
On overload
G
Can we shift the heat back
G
To when your heart s grown cold

G
In severed light
G
Our souls are damaged
G
And with that caged
G
To the cause of light

G

Now I can see

G

Another language

G

Gone optimistic

G

We re gonna survive

Chorus:

Dm

F

We re the tail-end of the sun

C

Am

To a greener hideaway

Dm

F

Where in peace I found my fun

C

Am

Till I heard the future say

Verse:

G

I m in an army

G

A megaquake

G

A force of nature

G

All hell ashake

G

Improve our days now

G

Cause we might not sleep tonight

G

Suffused are we

G

To the cause of light!

G

On optimistic

G

On overload

G

Can we shift the heat back

G

To when your heart s grown cold

G

And now we know why

G

And know what we must do

G

Aware of the cracks

G

The heart shines through

Chorus:

Dm **F**
We re the tail-end of the sun
C **Am**
To a greener hideaway
Dm **F**
Where in peace I found my fun
C **Am**
Till I heard the future say

Dm **F**
We re the tail-end of the sun
C **Am**
To a greener hideaway
Dm **F**
Where in peace I found my fun
C **Am**
Till I heard the future say

G
A bed of roses
G
And rollercoasters
G
A bed of roses
G
And rollercoasters
G
A bed of roses
G
And rollercoasters
