

A Car A Torch A Death
twenty one pilots

One of my favorite songs ever by probably my favorite band. I figured it out on piano then transcribed it to guitar. Please rate and/or comment!

Capo on 3rd

***You might want to mute the high e throughout the song, personal preference tho

[Verse]

G# **Eb**
The air begins to feel a little thin
Cm **Bb**
As I start the car and then I begin
G# **Eb**
To add the miles piled up behind me

And I begin to envy the headlights driving south
Cm **Bb**
I want to crack the door so I can just fall out
G# **Eb**
But then I remember when you packed my car
Cm **Bb**
You reached in the back and bucked up your heart
G# **Eb** **Cm** **Bb**
For me to drive away with

I began to understand
Bb **G#**
Why God died
