

**A Car A Torch A Death**  
**twenty one pilots**

One of my favorite songs ever by probably my favorite band. I figured it out on piano then transcribed it to guitar. Please rate and/or comment!

Capo on 3rd

\*\*\*You might want to mute the high e throughout the song, personal preference tho

[Verse]

**F#** **C#**  
The air begins to feel a little thin  
**Bbm** **G#**  
As I start the car and then I begin  
**F#** **C#**  
To add the miles piled up behind me  
**Bbm** **G#**  
I barely feel a smile deep inside me

**F#** **C#**  
And I begin to envy the headlights driving south  
**Bbm** **G#**  
I want to crack the door so I can just fall out  
**F#** **C#**  
But then I remember when you packed my car  
**Bbm** **G#**  
You reached in the back and bucked up your heart  
**F#** **C#** **Bbm** **G#**  
For me to drive away with

[Chorus]

**F#** **C#** **Bbm**  
I began to understand  
**G#** **F#**  
Why God died

**F# C# Bbm G#**

[2x]

[Verse]

**F#** **C#**  
The demon sat there waiting on her porch  
**Bbm** **G#**  
It was a little dark so we held a makeshift torch  
**F#** **C#**

And when my car was far out of sight

**Bbm**

**G#**

He crept in her room and stayed there for the night

**F#**

And then I felt chills in my bones

**C#**

The breath I saw was not my own

**Bbm**

I knew my skin that wrapped my frame

**G#**

Wasn't made to play this game

**F#**

And then I saw Him, torch in hand

**C#**

He laid it out, what he had planned

**Bbm**

And then I said, I'll take the grave

**G#**

Please, just send them all my way

[2x]

**F# C# Bbm G#**

[Chorus]

**F#**

**C#**

**Bbm**

I began to understand

**G#**

Why God died

**F# C# Bbm G#**

[2x]

[Outro]

**F#**

**C#**

The air begins to feel a little thin

**Bbm**

**G#**

As we're waiting for the morning to begin

**F#**

**C#**

But for now you told me to hold this jar

**Bbm**

And when I looked inside, I saw

**G#**

It held your heart

**F#**

**C#**

**Bbm G#**

For me to walk away with

**F#**

**C#**

**Bbm**

I began to understand

**G#**

Why God died

F# C#
