G
I start to part two halves of my heart in the dark and I
Am

Don't know where I should go
And the tears and the fears begin to multiply

Em

Taking time in a simple place
In my bed where my head rests on a pillowcase

D

And it's said that a war's lead but I forget
That I let another day go by

G

I want to be afraid but it seems that these days

Am

I'm caught under water and I'm falling farther

Em

My heart's getting harder, I'm calling my father

D

Am I screaming to an empty sky?

G

Am

Empty sky, no way, that's me cause one half of my heart is free

Em

D

G

Empty sky, no way, that's me cause the other half of my heart's asleep.
