**G**  
I start to part two halves of my heart in the dark and I  
**Am**

Don't know where I should go  
And the tears and the fears begin to multiply

**Em**

Taking time in a simple place  
In my bed where my head rests on a pillowcase

**D**

And it's said that a war's lead but I forget  
That I let another day go by

**G**

I want to be afraid but it seems that these days

**Am**

I'm caught under water and I'm falling farther

**Em**

My heart's getting harder, I'm calling my father

**D**

Am I screaming to an empty sky?

**G**

**Am**

Empty sky, no way, that's me cause one half of my heart is free

**Em**

**D**

**G**

Empty sky, no way, that's me cause the other half of my heart's asleep.
