G Am Em You will never know what is in my veins So won t you say goodnight so I can say goodbye. G Am Won t you go to someone else s dreams Em D Won t you go to someone else s head G Am Haven t you taken enough from me Em D Won t you torture someone else s sleep? Am G And you will never know what I m thinking of Em So won t you say goodnight so I can say goodbye G Am And you will never understand what I believe Em ъ So won t you say goodnight so I can say goodbye. G Em Haven t you taken enough from me Am D Won t you torture someone else s sleep? G Am Won t you go to someone else s dreams Em D Won t you go to someone else s head G Am Haven t you taken enough from me Em D Won t you torture someone else s sleep? G I start to part two halves of my heart in the dark and I Am

Don t know where I should go And the tears and the fears begin to multiply Em Taking time in a simple place In my bed where my head rests on a pillowcase D And it s said that a war s lead but I forget That I let another day go by G I want to be afraid but it seems that these days Am I m caught under water and I m falling farther Em My heart s getting harder, I m calling my father D Am I screaming to an empty sky? G Am Empty sky, no way, that s me cause one half of my heart is free Em D G Empty sky, no way, that s me cause the other half of my heart s asleep.
