I start to part two halves of my heart in the dark and I
Bbm

Don't know where I should go
And the tears and the fears begin to multiply

Fm

Taking time in a simple place
In my bed where my head rests on a pillowcase

Eb

And it's said that a war's lead but I forget
That I let another day go by

G#

I want to be afraid but it seems that these days

Bbm

I'm caught under water and I'm falling farther

Fm

My heart's getting harder, I'm calling my father

Eb

Am I screaming to an empty sky?

G#

Bbm

Empty sky, no way, that's me cause one half of my heart is free

Fm

Eb

G#

Empty sky, no way, that's me cause the other half of my heart's asleep.
