**A F#m**

This is the sound we make

**C#m B**

When inbetween two places

**A F#m**

Where we used to bleed

**C#m B**

And where our blood needs to be

[Verse 2]

**A** **C#m**

In city, I feel my spirit is contained

**B**

**A**

Like neon inside the glass, they form my brain

But I recently discovered

**C#m**

It s a heatless fire

**B**

**A**

Like nicknames they give themselves to uninspire

**C#m**

Begin with bullet, now add fire to the proof

**B**

**A**

But I m still not sure if fear s a rival or close relative to truth

**C#m**

Either way it helps to hear these words bounce off of you

**B**

The softest echo could be enough for me to make it through

[Bridge]

**C#m** **F#m** **A** **B**
