Be Concerned -- Twenty One Pilots  
Tabbed by Josiah Sutton

Capo 3.

If you want to play the song without a capo just play Bb when there s a G, an F when there s a D, and a D# when there s a C.

This song, like most electronica, is the same thing repeated throughout, so once you get the basic idea it should be rather easy.

[Intro]

**G D C C** (x4)

[Verse 1]

**G** **D**  
Where d you go, huh? They all think I know you,  
**C**  
It s so hard to motivate, Me to devote a,  
**G** **D**  
Single inch of me to, Something I can t see I,  
**C**  
Don t mean to pry but why, Would you even make the eyes?  
**G** **D**  
I don t believe my ears and I m scared of my own head,  
**C**  
I will deny you for years then I ll make you raise me from the dead,  
**G** **D**  
And if I said that I would live for you, for nothing in return,  
**C**  
Well I m sorry Mr. Gullible, but lying s all I ve learned

[Chorus]

**G** **D** **C**  
So be concerned.  
**G** **D** **C**  
So be concerned.

[Verse 2]

(same as verse 1)

No music,  
And I could talk about anything,  
Whether or not it s worth while,  
Is based on who s listening,  
Most of us listen if it s,  
Something we can relate to,  
All of us relate,  
If it s something we ve just been through,  
Take it for granted,  
Trust is damaged and now we panic,  
Living empty-handed,  
Living lives like we can t manage, I can t feel you,  
But still know where home is feeling like Jonah did,  
Almost dropped the bat like every base was fully loaded.

[Chorus]

(chorus chords)

So be concerned.

[Verse 3]

(same as verse 1)

I am disappearing,  
Inside my bird s eye theories,  
I try to say goodbye, defy, and deny,  
What it is I m fearing,  
Clearly I am dying, dearly I am writing,  
Merely testifying, that the test to fly requires I,  
Pass the test with colors flying,  
I don t believe you most the time,  
I m lying cause I say I am fine,  
You are the pearl, I am the swine,  
So break my life and take this rhyme,  
I m so sorry but I do believe,  
That all my bridges, I have burned,  
And I ve earned a policy of no return,

[Chorus]

(chorus chords)

So be concerned.
