

Car Radio

twenty one pilots

The acoustic version of this song was not in the right time, so I put chords to all of the lyrics and fixed the time. The G chord prior to the Am is more of a quick passing chord. Have fun!

[Intro]

| **F** | **F** **G** | **Am** | **G** | x2

[Verse 1]

F
I ponder of something great
F **G**
My lungs will fill and then deflate
Am
They fill with fire

Exhale desire
G
I know it s dire

My time today

[Hook]

F
I have these thoughts
F
So often I ought

To replace that slot
G **Am**
With what I once bought

Cause somebody stole
G
My car radio

F
And now I just sit in silence

[Verse 2]

F **G**
Sometimes quiet is violent

Am
I find it hard to hide it

G
My pride is no longer inside

F
It s on my sleeve

My skin will scream

F
Reminding me of

G **Am**
Who I killed inside my dream

G
I hate this car that I m driving

F
There s no hiding for me

F
I m forced to deal with what I feel

G **Am**
There is no distraction to mask what is real

G
I could pull the steering wheel

[Hook]

F
I have these thoughts

F
So often I ought

To replace that slot
G **Am**
With what I once bought

Cause somebody stole

G
My car radio

F
And now I just sit in silence

[Break]

| **F** | **F** **G** | **Am** | **G** | x4

[Verse 3]

F
I ponder of something terrifying

F Cause this time there s no sound to hide behind **G**

Am
I find over the course of our human existence

G
One thing consists of consistence

F
And it s that we re all battling fear

F Oh dear, I don t know if we know why we re here **G**

Am
Oh my, too deep

Please stop thinking

G
I liked it better when my car had sound

F
There are things we can do

F But from the things that work there are only two **G**

Am
And from the two that we choose to do

G
Peace will win

And fear will lose

F
There s faith and there s sleep

F We need to pick one please because **G**

Am
Faith is to be awake

G
And to be awake is for us to think

F
And for us to think is to be alive

F
And I will try with every rhyme

G **Am**
To come across like I am dying

G **F**
To let you know you need to try to think

[Hook]

I have these thoughts

F
So often I ought

To replace that slot

G **Am**

With what I once bought

Cause somebody stole

G

My car radio

F

And now I just sit in silence

[Break]

| **F** | **F** **G** | **Am** | **G** | x16

(with woahs, and now I just sit I silence, etc)

[Verse 4]
