

Car Radio

twenty one pilots

The acoustic version of this song was not in the right time, so I put chords to all of the lyrics and fixed the time. The G chord prior to the Am is more of a quick passing chord. Have fun!

[Intro]

| **F#** | **F# G#** | **Bbm** | **G#** | x2

[Verse 1]

F#
I ponder of something great
F# **G#**
My lungs will fill and then deflate
Bbm
They fill with fire

Exhale desire
G#
I know it s dire

My time today

[Hook]

F#
I have these thoughts
F#
So often I ought

To replace that slot
G# **Bbm**
With what I once bought

Cause somebody stole
G#
My car radio
F#
And now I just sit in silence

[Verse 2]

F# **G#**
Sometimes quiet is violent

Bbm
I find it hard to hide it

G#
My pride is no longer inside

F#
It s on my sleeve

My skin will scream
F#

Reminding me of
G# **Bbm**
Who I killed inside my dream

G#
I hate this car that I m driving

F#
There s no hiding for me

F#
I m forced to deal with what I feel

G# **Bbm**
There is no distraction to mask what is real

G#
I could pull the steering wheel

[Hook]

F#
I have these thoughts

F#
So often I ought

To replace that slot
G# **Bbm**

With what I once bought

Cause somebody stole
G#

My car radio
F#

And now I just sit in silence

[Break]

| **F#** | **F#** **G#** | **Bbm** | **G#** | x4

[Verse 3]

F#
I ponder of something terrifying

F# Cause this time there s no sound to hide behind
G#

Bbm
I find over the course of our human existence

G#
One thing consists of consistence

F#
And it s that we re all battling fear

F# Oh dear, I don t know if we know why we re here
G#

Bbm
Oh my, too deep

Please stop thinking

G#
I liked it better when my car had sound

F#
There are things we can do

F# But from the things that work there are only two
G#

Bbm
And from the two that we choose to do

G#
Peace will win

And fear will lose

F#
There s faith and there s sleep

F# We need to pick one please because
G#

Bbm
Faith is to be awake

G#
And to be awake is for us to think

F#
And for us to think is to be alive

F#
And I will try with every rhyme

G# **Bbm**
To come across like I am dying

G# To let you know you need to try to think
F#

[Hook]

I have these thoughts

F#
So often I ought

To replace that slot

G# **Bbm**

With what I once bought

Cause somebody stole

G#

My car radio

F#

And now I just sit in silence

[Break]

| **F#** | **F#** **G#** | **Bbm** | **G#** | x16

(with woahs, and now I just sit I silence, etc)

[Verse 4]

G#

I know it s dire

My time today
