

Car Radio

twenty one pilots

The acoustic version of this song was not in the right time, so I put chords to all of the lyrics and fixed the time. The G chord prior to the Am is more of a quick passing chord. Have fun!

[Intro]

| **G** | **G** **A** | **Bm** | **A** | x2

[Verse 1]

G
I ponder of something great
G **A**
My lungs will fill and then deflate
Bm
They fill with fire

Exhale desire
A
I know it s dire

My time today

[Hook]

G
I have these thoughts
G
So often I ought

To replace that slot
A **Bm**
With what I once bought

Cause somebody stole
A
My car radio

G
And now I just sit in silence

[Verse 2]

G **A**
Sometimes quiet is violent

Bm
I find it hard to hide it

A
My pride is no longer inside

G
It s on my sleeve

My skin will scream

G
Reminding me of

A **Bm**
Who I killed inside my dream

A
I hate this car that I m driving

G
There s no hiding for me

G
I m forced to deal with what I feel

A **Bm**
There is no distraction to mask what is real

A
I could pull the steering wheel

[Hook]

G
I have these thoughts

G
So often I ought

To replace that slot
A **Bm**
With what I once bought

Cause somebody stole

A
My car radio

G
And now I just sit in silence

[Break]

| **G** | **G** **A** | **Bm** | **A** | x4

[Verse 3]

G
I ponder of something terrifying

G Cause this time there s no sound to hide behind
A

Bm
I find over the course of our human existence

A
One thing consists of consistence

G
And it s that we re all battling fear

G Oh dear, I don t know if we know why we re here
A

Bm
Oh my, too deep

Please stop thinking

A
I liked it better when my car had sound

G
There are things we can do

G But from the things that work there are only two
A

Bm
And from the two that we choose to do

A
Peace will win

And fear will lose

G
There s faith and there s sleep

G We need to pick one please because
A

Bm
Faith is to be awake

A
And to be awake is for us to think

G
And for us to think is to be alive

G
And I will try with every rhyme

A **Bm**
To come across like I am dying

A **G**
To let you know you need to try to think

[Hook]

I have these thoughts
G

So often I ought

To replace that slot

A **Bm**

With what I once bought

Cause somebody stole

A

My car radio

G

And now I just sit in silence
