G# **Eb**
Like a little splinter buried in your skin

C#
Someone else can carve it out but when you ve got the pin

G# **Eb**
It hurts a little less and you can even push it further in

C#
When your body s screamin out, trust your mind s listenin

G# **Eb**
Like a silhouette that you can barely see

C#
As a shadow cast upon the ground where you ll eventually

G# **Eb**
Lay forever, but the day goes on, the sun moves behind you

C#
You get taller, bolder, stronger and the rearview only blinds you
