I want to drive away

**F# C# D#m B**  
In the night, headlights call my name

**B D#m**  
I, I ll never be, be what you see inside

**F# B**  
You say I m not alone, but I am petrified

**B D#m**  
You say that you are close, is close the closest star?

**F# B F#**  
You just feel twice as far, you just feel twice as far

**(F#) D#m**  
And I ll fall

**B**  
And I ll break

**C#**  
And I ll fake

**F#**  
All I wanna

**D#m**  
And I ll fall down

**B**  
And I ll break down

It s the same game today as it always is

**F#**  
I don t give these places fake my name explaining this

**B**  
And the wrists of my mind have the bleeding lines

**X**  
That remind me of all the times...

**B**  
I have committed

**D#m**  
Dirty dirty crimes that are perfectly form-fitted

**F#**  
To what I ve done and what I m doing

I m brewing and losing and spewing infusing

**B** **X**  
And believe me that s what all the kids are doing

**B**  
What kids are doing are killing themselves

**D#m**  
They feel they have no control of their prisoner s cell

**F#** **B**  
And if you re one of them then you re one of me

**X**  
And you would do almost anything just to feel free...

**B**  
Am I right? Of course I am

**D#m**  
Convince me otherwise would take all night

**F#**

Before you walk away, there s one more thing I want to say

**B**

Our brains are sick but that s okay
