

## Fall Away

twenty one pilots

**Dm**      **A**  
I don t wanna fall, fall away

**Bb**      **F**                      **C**  
I don t wanna fall, fall away

**Dm**      **A**  
I ll keep the lights on in this place

**Bb**              **F**                      **C**  
Cause I don t wanna fall, fall away

**Dm**  
I disguise and I will lie

**A**  
And I will take my precious time

**Bb**  
As the days spent away as I stand in line

**F**                      **C**  
And I die as I wait as I wait on my crime

**Dm**  
And I ll try to delay what you make of my life

**A**  
But I don t want your way, I want mine

**Bb**  
I m dying and trying but believe me I m fine

**F**                      **C**  
But I m lying, I m so very far from fine

**Dm**      **A**                      **Bb**  
And I can feel the pull begin

**F**                      **Dm**  
I feel my conscience wearing thin

**A**                      **Bb**                      **F**              **C**  
And my skin, It will start to break up and fall apart

**Dm**      **A**  
I don t wanna fall, fall away

**Bb**      **F**                      **C**  
I don t wanna fall, fall away

**Dm**      **A**  
I ll keep the lights on in this place

**Bb**              **F**                      **C**  
Cause I don t wanna fall, fall away

**Dm**  
Every time I feel selfish ambition is taking my vision

**A**  
And my crime is my sentence, repentance is taking commission

**Bb**

It s taking a toll on my soul, I m screaming submission and

**F** **C**

I don t know if I am dying or living

**Dm**

Cause I will save face for name s sake, abuse grace

**A**

Take aim to obtain a new name and a newer place

**Bb**

But my name is lame, I can t walk and I ain t the same

**F** **C**

And my name became a new destiny to the grave

**Dm** **A** **Bb**

And I can feel the pull begin

**F** **Dm**

I feel my conscience wearing thin

**A** **Bb** **F** **C**

And my skin, It will start to break up and fall apart

**Dm** **A**

I don t wanna fall, fall away

**Bb** **F** **C**

I don t wanna fall, fall away

**Dm** **A**

I ll keep the lights on in this place

**Bb** **F** **C**

Cause I don t wanna fall, fall away
