

Friend Please
twenty one pilots

Bm **F#m**
I feel for you but when did you believe you were alone
Bm **F#m**
You say that spiders crawled inside and made themselves a home
E **C#**
Where light once was

Bm **F#m**
Petrified of who you are and who you have become
Bm **F#m**
You will hide from everyone, denying you need someone
E **C#**
To exterminate your bones

A **E** **F#m** **D**
Friend, please remove your hands from
A **E** **F#m** **C#**
Over your eyes for me
A **E** **F#m** **D**

(**Bm** **F#m** **Bm** **F#m**)
