

Migraine

twenty one pilots

[Intro]

G **D** **A**
Am I the only one I know
G **D** **A**
Waging my wars behind my face and above my throat?
G **D** **A** **G** **F#m**
Shadows will scream that I m alone-lone-lone

(**Bm** **G** **D** **A** **Bm** **G** **D** **A**)

[Verso 1]

Bm **A**
I - I - I - I - I ve got a migraine
D **A**
And my pain will range from up, down and sideways
Bm **A**
Thank God it s Friday cause Fridays will always
D **A**
Be better than Sundays cause Sundays are my suicide days
Bm **A**
I don t know why they always seem so dismal
D **A**
Thunderstorms, clouds, snow and a slight drizzle
Bm **A**
Whether it s the weather or the letters by my bed
D **A**
Sometimes death seems better than the migraine in my head
Bm **A**
Let it be said what the headache represents
D **A** **Bm**
It s me defending in suspense, it s me suspended in a defenseless test
A **D**
Being tested by a ruthless examinant
A
That s represented best by my
A
Depressing thoughts
D **A**
I do not have writer s block, my writer just hates the clock
Bm **A**
It will not let me sleep, I guess I ll sleep when I m dead
D **A**
And sometimes death seems better than the migraine in my head

[Refrão]

G D A
 Am I the only one I know

[Verse 2]

Bm
 I am not as fine as I seem, pardon
D
 Me for yelling, I m telling you green gardens
Bm
 Are not what s growing in my psyche, it s a different me
D
 A difficult beast feasting on burnt down trees
Bm A
 Freeze frame please, let me paint a mental picture portrait
D A
 Something you won t forget, it s all about my forehead
Bm A
 And how it is a door that holds back contents
D A
 That make Pandora s Box s contents look nonviolent
Bm A
 Behind my eyelids are islands of violence
D A
 My mind s shipwrecked, this is the only land my mind could
Bm A
 Find, I did not know this was such a violent island
D A
 Full of tidal waves, suicidal crazed lions
Bm A
 They re trying to eat me, blood running down their chin
D A
 And I know that I can fight or I can let the lion win
Bm A
 I begin to assemble what weapons I can find
D
 Cause sometimes to stay alive you got to kill your mind
