

Mulberry Street

twenty one pilots

Intro

N.C. **G**

One, two, three, and

D A

Ah, ah

G

Keep your bliss

Bm

There s nothing wrong with this (Wrong with this)

A G D A

Ah-ah-ah, yeah, whoo-oo

G

Keep your bliss

Bm

A

There s nothing wrong with this (Wrong with this)

G

D A

Keep your sunny days, leave us in the rain

G

Bm A

Tie strings to our hands and feet, to rain on your parade

G

D

A

You can have the weekends, we will live between them

G

Bm

A

Keep your pills, save your breath, and don t ever forget

N.C.

D

A

Get out of our way, we re moving sideways

G

Bm A

Welcome to Mulberry Street, yeah

G

D

A

So move out of our way, we re pushing sideways

G

Bm A

Keep sidewalk under your feet

G

D

Ain t no sunny skies, til you finally realize

A

G

That everybody r?lies on synthetic highs

Bm A

They find som?one to prescribe

G

Keep your bliss, there s nothing wrong with this

D

A

We just want to feel it all

G

Bm

A

Keep your pills, save your breath, and don t ever forget
