A
But they won t get them
Bm
No, they won t get them
Em
They won t get them
D
But they won t get them

A
Don t get me wrong, the rise in awareness
Bm
Is beating a stigma that no longer scares us
Em
But for sake of discussion, in spirit of fairness
D
Could we give this some room for a new point of view?
A
And could it be true that some could be tempted
Bm
To use this mistake as a form of aggression?
Em
A form of succession?
A form of a weapon?
D
Thinking I ll teach them
A
Well, I m refusing the lesson
Bm
It won t resonate in our minds
Em
I m not disrespecting what was left behind
D
Just pleading that it does not get glorified
A
Maybe we swap out what it is that we hold so high
Bm
Find your grandparents or someone of age
Em
Pay some respects for the path that they paved
D
To life, they were dedicated
A

Now, that should be celebrated
