We give em the highest of praise

And hang their banner

From the ceiling

Communicating, further engraving

C#m

What s my problem?

```
Don t get it twisted
G#m
It s with the people we praise who may have assisted
I could use the streams and extra conversations
I could give up, and boost up my reputation
I could go out with a bang
They would know my name
They would host and post a celebration
C#m
My opinion will not be lenient
G#m
My opinion, it s real convenient
Our words are loud, but now I m talking action
         F#
We don t get enough love?
Well, they get a fraction
They say, How could he go if he s got everything?
I ll mourn for a kid, but won t cry for a king
C#m
Neon gravestones try to call
(Neon gravestones try to call)
Neon gravestones try to call for my bones
(Neon gravestones try to call)
Call (For my bones)
Call, call, call (Call, call)
C#m
       G#m B F#
Call (Call)
Call (Call)
Promise me this (Call, call)
      C#m
If I lose to myself
    F#m
You won t mourn a day
And you ll move onto someone else
Promise me this
      C#m
If I lose to myself
    F#m
You won t mourn a day
```

E

```
And you ll move onto someone else
(Ooh, call, ooh, call)
В
                    C#m
Neon gravestones try to call
(Neon gravestones try to call)
F#m
Neon gravestones try to call for my bones
(Neon gravestones try to call)
         В
But they won t get them
         C#m
No, they won t get them
    F#m
They won t get them
         E
But they won t get them
В
Don t get me wrong, the rise in awareness
C#m
Is beating a stigma that no longer scares us
F#m
But for sake of discussion, in spirit of fairness
Could we give this some room for a new point of view?
And could it be true that some could be tempted
To use this mistake as a form of aggression?
F#m
A form of succession?
A form of a weapon?
Thinking I ll teach them
Well, I m refusing the lesson
C#m
It won t resonate in our minds
F#m
I m not disrespecting what was left behind
Just pleading that it does not get glorified
Maybe we swap out what it is that we hold so high
Find your grandparents or someone of age
Pay some respects for the path that they paved
To life, they were dedicated
В
```

Now, that should be celebrated
