

Oh Ms Believer
twenty one pilots

This is not super accurate since it s not a guitar song to begin with but the chords make sense with the tune, so feel free to do your own thing with it of course!

[Verse] (a cappella w/ tambourine)

Oh Ms. Believer, my pretty sleeper.

Your twisted mind is like snow on the road.

Your shaking shoulders prove that it s colder,

Inside your head, than the winter of death.

[Verse]

C **F Am**

I will tell you, I love you.

F **C** **Am** **G**

But the muffs on your ears will cater your fears.

C **F** **Am**

My nose and feet are running as we start

F **C** **Am** **G**

To travel through snow. Together we go.

F C Am G **F C Am G**

Together we go (echo)

[Chorus]

F **Am C G**

We get colder,

F **Am C G**

As we grow older.

F **Am C G**

We will walk

F **Am C G**

So much slower.

[Interlude]

F C Am G F C Am G

As we travel through snow. Together we go.

F C Am G **F C Am G**
Together we go (echo)

So much slower.
