[Intro] **G Am Em C**

**G** **Am Em**  
I just wanna stay in the sun where I find  
**C**

I know it s hard sometimes

**G** **Am Em**  
Pieces of peace in the sun s peace of mind  
**C**

I know it s hard sometimes

**G** **Am Em**  
Yeah I think about the end just way too much  
**C**

But it s fun to fantasize

**G** **Am Em**  
All my enemies who wouldn t wish who I was  
**C**

**G**  
I d die for you, that s easy to say  
**Am**

We have a list of people that we would take

**Em**  
A bullet for them, a bullet for you  
**C**

A bullet for everybody in this room

**G**  
But I don t seem to see many bullets coming through  
**Am**

See many bullets coming through

**Em**  
Metaphorically I m the man  
**C**

But literally I don t know what I d do

**G**

I'd live for you, and that's hard to do

**Am**

Even harder to say when you know it's not true

**Em**

Even harder to write when you know that tonight

**C**

There are people back home who tried talking to you

**G**

But then you ignore them still

**Am**

All these questions they're for real

**Em**

Like who would you live for? Who would you die for?

**C**

And would you ever kill?
