C#          Bbm                    Fm
Ruby I hope I see you, I ve waited all this week
C#          Bbm          Fm
For you to walk my way, your soul will capture me
C#          Bbm                      Fm
Your momma painted your room a shade of pink, she said
C#              Bbm              Fm
But with your great arrival that shade has turned to red
