

Screen

twenty one pilots

[Intro]

D A Bm A G A

[Verse 1]

D

I do not know

A

Why I would go

In front of you

Bm

And hide my soul

A

G

Cause you re the only one who knows it

A

D

Yea you re the only one who knows it

D

And I will hide behind my pride

A

Bm

To don t know what I think I could lie

A

G

Cause there s a screen on my chest

A

Yea there s a screen on my chest

[Chorus]

D

A

I m standing in front of you

A

Bm

I m standing in front of you

A

G

I m trying to be so cool

A

D

Everything together trying to be so cool

D

A

I m standing in front of you

A

Bm

I m standing in front of you

A

G

I m trying to be so cool

A D

Everything together trying to be so cool

[Verse 2]

D

I can't see past my own nose

I'm seeing everything in slow-mo

A

Look I'll be low crashing down to the ground

Bm

Just like a vertical loco-motive that's a train

A

In my painting a picture that's in my brain

G

A

A train from the sky locomotive my motives are insane

D

My flow's not great

Okay

A

I converse with people who know if I flow

Bm

When my song got no radio play

A

While you're doing fine

There's some people and I

G

Who have a really tough time

Getting through this life

So excuse us

While we sing to the sky

[Chorus]

D

A

I'm standing in front of you

A

Bm

I'm standing in front of you

A

G

I'm trying to be so cool

A

D

Everything together trying to be so cool

D
