

Semi-automatic  
twenty one pilots

Intro:

**F#m A**

**F#m A**

Verso 1:

**F#m A**

Night falls... with gravity

**F#m A**

The earth turns... from sanity

**D A**

Taking my only friend I know

**C#m**

He leaves a lot

**E D**

His name is hope

Refrão:

**A D**

I m never what I like

I m double sided

**F#m E**

And I just can t hide

I kinda like it

**A D**

When I make you cry

**F#m**

Cos I m twisted up

**E**

I m twisted up... inside

Verso 2:

**F#m**

The horrors of the night melt away

**A**

Under the warm glow of survival of the day

**F#m**

Then we move on, my shadow grows taller along with my fears

**A**

And my friends shrink smaller as night grows near

**F#m A**

When the sun is climbing window sills

**F#m A**

And the silver lining rides the hills

**D A**

I will be saved for one whole day

**C#m** **E** **D**  
Until the sun makes the hills its grave

Refrão 2x:
