

**Semi-automatic  
twenty one pilots**

Intro:

**G#m B**

**G#m B**

Verso 1:

**G#m B**

Night falls... with gravity

**G#m B**

The earth turns... from sanity

**E B**

Taking my only friend I know

**Ebm**

He leaves a lot

**F# E**

His name is hope

Refrão:

**B E**

I m never what I like

I m double sided

**G#m F#**

And I just can t hide

I kinda like it

**B E**

When I make you cry

**G#m**

Cos I m twisted up

**F#**

I m twisted up... inside

Verso 2:

**G#m**

The horrors of the night melt away

**B**

Under the warm glow of survival of the day

**G#m**

Then we move on, my shadow grows taller along with my fears

**B**

And my friends shrink smaller as night grows near

**G#m B**

When the sun is climbing window sills

**G#m B**

And the silver lining rides the hills

**E B**

I will be saved for one whole day

**Ebm** **F#** **E**  
Until the sun makes the hills its grave

Refrão 2x:

**B** **E**  
I m never what I like
