Trees
By Twenty One Pilots
[Intro]
| D#m B | F# | x2
[Verse]
                    F#
D#m B
                                         D#m
I know where you stand, silent in the trees
                   F#
and that s where I am, silent in the trees
                 F#
                                      D#m
Why won t you speak where I happen to be?
                  F#
Silent in the trees, standing cowardly
[Chorus]
F# B
                 D#m
                             F# C#/E# D#m
  I can feel your breath, I can feel my death
I want to know you, I want to see, I want to say
  D#m B F#
Hello ... Hello
  D#m B F#
Hello ... Hello
