

We Don't Believe What's On TV  
twenty one pilots

Intro 2x: Gm F Bb Bb

                  Gm                  F          Bb  
We don t believe what s on TV  
                  Gm          F                  Bb  
Because it s what we want to see  
                  Gm                  F                  Bb  
And what we want we know we can t believe  
                  Gm                  F                  Bb  
We have all learned to kill our dreams

          Cm  
I need to know  
          Gm                                  Bb          Bb7  
That when I fail you ll still be here  
          Cm                                  Eb  
Cause if you stick around, I ll sing you pretty sounds  
                  F  
And we ll make money selling your hair

D                          Eb  
I don t care what s in your hair  
          Bb                                  F  
I just wanna know what s on your mind  
          D                          Eb  
I used to say I wanna die before I m old  
          Bb                                  F  
But because of you I might think twice

( Gm F Bb Bb ) (2x)

                  Gm                  F          Bb  
What if my dream does not happen?  
                  Gm                  F                  Bb  
Would I just change what I ve told my friends?  
                  Gm                  F                  Bb  
Don t want to know who I would be  
                  Gm                  F                  Bb  
When I wake up from a dreamer s sleep

          Cm  
I need to know  
          Gm                                  Bb          Bb7  
That when I fail you ll still be here  
          Cm                                  Eb  
Cause if you stick around, I ll sing you pretty sounds  
                  F

And we ll make money selling your hair
