**C G Am F**  
There's a great, broad road, through the meadow,

**C G F**  
And many travel there,

**C G Am F**  
But I have a gentle Shepherd,

**C F G**  
I would follow anywhere,

**Am G C G**  
Up a narrow path, Through the mountains,

**F C G**  
To the valley far below,

**C G Am Em**  
To be ever in His pre...sence,

**F G Am Em**  
Where He leads me I will go.

**F G Am G Am Em F G F G...**  
Where He leads me I will go.

**C G Am F**  
And there are many wondrous voices,

**C G F**  
Day and night they fill the air,

**C G Am F**  
But there is one so small and qui...et,

**C F G**  
I would know it anywhere,

**Am G C G**  
In the city...or in the wilderness,

**F C G**

There's a ringing crystal clear,

**C G Am Em**

And to be ever close be...side Him,

**F G Am Em**

When He calls me I wi...ll hear.

**F G Am G Am G**

When He calls me I wi...ll hear.

**Am G Am Em**

Where He leads me, I will follow,

**G F**

When He calls me I will hear.

**Am G Am Em**

Where He leads me, I will follow,

**G**

When He calls me

**G F**

I... will... hear.

**G F G F G F G**

**C G Am F**

There is a great, broad road to no... where,

**C G F**

And so many travel there,

**C G Am F**

But I have a gentle She...pherd,

**C F G**

I would follow any...where,

**Am G C G**

Though the journey take me far away,

**F C G**

From the place I call my home,

**C G Am Em**

To be ever in His presence,

**F G Am Em**

Where He leads me I ...will go.

**F G Am G Am G F G F G Am**

Where He leads me I ...will go.
