

Better Weather
Twin Atlantic

Hey this is rough chord work for Twin Atlantic Better Weather.

I don't know the exact chord names so I've named them randomly kind of XD when you play the C slide the same chord shape up two frets. Listen to the song to get an idea of how it sounds.

G G# G7 G/A C
e-3--3--3--3-----|
B-3--3--3--3---1/3--|
G-0--0--0--0---0/0--|
D-0--0--0--2---2/4--|
A-2--0--2--3---3/5--|
E-3--2-----|

Listen to the song to get an idea of how to play it. I like to play it slowly with a loose strumming pattern and a little bit of picking, I usually use DUUD varying it throughout.

On chaos, chaos, chaos, chaos, chaos rain
On chaos, chaos, chaos, chaos, chaos rain

I ve been making meadows
I ve been making meadows
In the sky
In the sky

With the seeds,
From your eyes
From your eyes

Dearest forgetful,
Here are my guilty hands,
Take them across your eyes,
So you can remember

This is not a dream,
Could it get any better?
We ll wait out the winter nights,
And laugh along with the better weather.
