I shoulda told you that you re good enough

[Chorus]
D   **G**
because I m stuck here on this island
                        Bm
and I lost it all over again
                              A
and nothing gets better than memories
when all you have are memories
     D
for friends
        G
I went searching
                      Bm
when the lights went out
and I went searching
A
when my flight went down

D
cause I made a rope
G
can I throw it out to you
Bm
and drag me back home
A
I deserve to be rescued
D
But still I have trouble with
G
Most days and nights
Bm
But still I have trouble with most days and nights
A
But still I have trouble with moving my life outside
