

Yes I Was Drunk
Twin Atlantic

I know this isn't 100% correct but at least I tried :D

NO Capo

C

Yes, I was drunk

Am

You'd be the same

G

The windows were bending

F

and decorated with rain

C

I couldn't speak

Am

cos my thinking was stunned

G

I picked up the keys

F

you forced me to run

C

Nothing could stop me leaving

Am

The impulse runs through my blood

G

And I hope you live for your freedom

F

I hope you enjoy the lust

C

And I got in the car

Am

And put her in to first

C

Not stopping for lights

Am

cos my vision was blurred

G

One hand on the wheel

F

the other open and cut

C

You know I still have to tow

Am

You know I wanted to stay

G

The car in front

F

Kept tapping on-off the breaks

C

Nothing could stop me leaving

Am

The impulse runs through my blood

G

I hope you live for your freedom

F

I hope you enjoy the lust

C

So I let go

Am

So I let go

G

Ignoring the lights

F

That mark out the road

C

And I wanted to meet the one

Am

The one with the healthy glow

G

So I let go

F

You made me let go

C

I think I just needed a rush, needed a rush

Am

C

I think I just needed a rush, needed a rush

Am

C

I think I just needed a rush, needed a rush

E

Em7

I think I just needed a rush, needed a rush

C

Nothing could stop me speeding

Am

Or missing that bend in the road

G

A 90 head-on collision

F

Is how I lost control

C
So I let go

Am
