

Mirror Of Time
Twin Peaks

[Verse 1]

B F# G#m F#
When I look in the mirror of time
E F# B
Often find that I m doing it over
B D# G#m F#
But when I look at the tears from her eyes
E F# B
Don t regret a single word that I ve told her
E
And when we re distant
B
I m sure you ll think things over
E
I hope you ll miss it
B
But I ll still have an open shoulder
C# F# E
For you to lean and laugh and cry on, little girl

[Verse 2]

B D# G#m F# E
How I wish that the start of the end would begin
F# B
That she d need all that I ve shown her
B D# G#m F#
I know the cycle of life could begin
E F# B
And in time I d be stuck starting over
E
And with the distance
B
I hope faith don t roll over
E
If you don t miss it
B
I ll still have an open shoulder
C# F# E
For you to lean and laugh and cry on, little girl

[Bridge]

E B E

Why does love have to end?

B

E

Why do hearts have to break and mend?

B

E

Why do they tell me you won't be the only one?

[Outro]

B

E

They don't believe that love can last forever

B

E

Do you believe that love can last forever?

B

E

I believe that love can last forever

B

E

Do you believe that love can last forever?

B

E

I believe that love can last forever
