Intro

**E F# G F#**

Verse 1

<b>E</b>	<b>F#</b>		
It happened in broad daylight			
<b>G</b>	<b>F#</b>		
So unexpected came the knife			
<b>E</b>	<b>F#</b>		
A child s scream sliced through the air			
<b>G</b>	<b>F#</b>		
But no one came or seemed to care. No!			
<b>E</b>	<b>F#</b>		
The man s description did little good			
<b>G</b>	<b>F#</b>		
A local stranger from the neighbourhood			
<b>E</b>	<b>F#</b>		
Those little kids oh, he left behind			
<b>G</b>	<b>F#</b>		
With their mangled minds and tortured minds			
<b>E</b>	<b>F#</b>		
Since he didn t seem to care			
<b>G#</b>	<b>F#</b>		
Then don t you think its only fair?			
<b>E</b>	<b>F#</b>	<b>G</b>	<b>F#</b>
Call for street justice, let no mercy show!			
<b>E</b>	<b>F#</b>	<b>G</b>	<b>F#</b>
Call for street justice, don t let him go!			

There we go, its the same through the rest of the song!Fantastic song and riff!!

Enjoy or die!  
Ash.
