

[Chorus] (x2)

	F		C	
oh it s the price we gotta pay				
	F		C	
and all the games we gotta play				
	F		C	Dm
makes me wonder if it s worth it to carry on				
F			C	
cause it s a game we gotta lose,				
F			C	
though it s a life we gotta choose				
	F		C	Dm
and the price is our own life until it s gone
