You dirty Rock n Roll

The papers give me disappointment,
I m a celebrity appointment,
I ve got no butter for my toast,
No washing powder for my clothes.

Then someone said I m like a statue,
Well I ll tell you that they re right now,
I m still standin here tomorrow,
I know it s hard, I fail to swallow,
Oh yeah!
What they gunna say?

[Chorus]
Oh what have you done?
You dirty Rock n Roller,
Oh what have you done?
You dirty Rock n Roll

There s people tryin to destroy me,
And they all don t even know me,
I am as tense as what they are,
I know things they ll never know.

And if the bosses are to ring me,
One day I know they re gunna ring me,
I never said that I was clever,
But I m a sucker that I ever never,
Oh yeah!
What they gunna say?
Oh yeah!
What they gunna say?
HEY!

[Chorus]
Oh what have you done?
You dirty Rock n Roller,
Oh what have you done?
You dirty Rock n Roll

Oh what have you...
Oh what have you...
Oh what have you done?

Oh what have you...
Oh what have you...
You dirty Rock n Roll...Er!
